Robbie Williams live radio broadcast sponsored

Kujtesa sponsors the exclusive radio broadcast of Robbie Williams "Close Encounters" tour live from Vienna

Pristina, Kosovo – August 21, 2006 – Kujtesa brought fans closer to Robbie Williams as lead sponsor of the exclusive Radio Blue Sky broadcast of Robbie Williams' Close Encounters 2006 European Tour. On Saturday, 19th of August, Radio Blue Sky joined 37 radio stations from all over the world to broadcast one of the dates from the Robbie Williams' sold out "Close Encounters" tour.

Blue Sky radio has been granted the right to broadcast the Williams' Vienna show at the Ernst Happel Stadium. The two hour show commenced at 9.00 pm and was aired "live" as it happened until 11 pm. As part of its sponsorship package, Kujtesa provided Blue Sky financial support that made live radio broadcasting possible. And during the live broadcast of the show there was a time dedicated for sponsorship announcement.

On Saturday, Robbie performed to his biggest audience ever. Millions of Robbie fans were in for a real treat when his Vienna show at the Ernst Happel stadium was simultaneously broadcast live to radio listeners across Europe, Africa and the Middle East.

Robbie's current "Close Encounters" tour set a new world record when 1.6 million tickets were sold in just one day. The tour encompasses 44 shows in 14 countries with Williams performing to 2.6 million fans.
